

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF NEW YORK

A. Kathleen Tomlinson  
Honorable U.S. Magistrate Judge  
100 Federal Plaza, Room 910  
Central Islip, NY 11722

Re: Jenkins v. Citibank, N.A.  
2:14cv-05684 (SJF-AKT)

Dear Magistrate Judge Tomlinson,

Plaintiff wishes to advise the court that currently before Judge Feuerstein is the Plaintiff's motion to stay proceedings pursuant to FRCP 4(b) and (c), due to the Plaintiff not presenting the summons to the clerk of the court to be executed and subsequently not serving the Defendant with the complaint and summons.

Accordingly, the Plaintiff request indefinitely the postponement of any upcoming proceedings pursuant to that motion and its content whether or not the motion is granted.

Respectfully,
